CRAFTAH ARTS & CRAFTS DIRECTORY

**Where Artists & Crafters Go To Find The Best
In Maine & New Hampshire's Arts & Crafts Events!!!**

We Always Appreciate Your Kind Words!!

September 2011

Sunny says:

I must commend you on the book and your information sheet that you give out about what your crafters do.

In all the years I have been crafting (about 30) I have never ran into such a great system. It is unbelievable to me that such a system even exists in this state and NH. It is wonderful. Is this the only system like this?

When I use to craft it amounted to buying many newspapers and lining up shows from them. I was never able to get the shows a little ways out from me.

You have blown my mind but I am so pleased. Thank you for all your great effort. I will enjoy crafting from now on without the struggle and hassles I used to go through.

Again thank you for this great effort.

September 2014

Shawn says:

Thank you for the Directory. You should see it by the end of the year. The first thing I do is pull out the pens and highlighters and go through looking at all the great event details trying to find a match for my product. Each year there are new events all over this state. I appreciate all the details you provide for each event - it helps me determine where I'll be going this year.

March 2015

Paul says:

I've heard people refer to your Directory as a "Crafter's Bible" and in so many ways that can be true. I've written in the margins, the calendars, the note pages. I mark up the book well by the time it is to get a new one. Bent and folded pages are common. Thank you for this very well used resource!

July 2106

Sara says:

At my first ever craft show I had a person next to me looking through your Directory and I asked about it. They had such nice things to say about it - I ordered one. I just wanted to let you know I found a craft show I didn't know about in the book and it was a great show - well more than paid for the cost of the book. THANK YOU!

2023 CRAFTAH ARTS & CRAFTS DIRECTORY

For those that don't know the story ☺ Dale created the former **Maine Crafters Group** which for 4 years created a Maine crafts monthly calendar. Using that Craft Fair info gathered through years of the CRAFTAH Newsletter, published by Maine Crafters Group, and over 25 years as a member of a craft family business, an annual book of event listings is created.

Previous Directories were great successes, with each having even more listings than the previous edition - Now with New Hampshire Listings as well. Please enjoy the forms included in this packet & think about purchasing a Directory. Thanks!!

The Arts & Crafts Directory will consist of listings of Arts & Crafts Events for the entire State of Maine and now a wide variety of New Hampshire Events. **An Arts/Crafts Event is any fair, show or "event" that at least has a artist/crafter component.** Other than craft fairs, there are always other events like Agricultural Fairs, Festivals, and other non-craft related functions that have a craft tent/area devoted to the display and sales of Arts & Crafts.
