I must comment you on the book and your information sheet that you give out about what your crafters do.

In all the years I have been crafting (about 30) I have never ran into such a great system. It is unbelievable to me that such a system even exists in this state and NH. It is wonderful. Is this the only system like this?

When I use to craft it amounted to buying many newspapers and lining up shows from them. I was never able to get the shows a little ways out from me.

You have blown my mind but I am so pleased. Thank you for all your great effort. I will enjoy crafting from now on without the struggle and hassles I used to go through.

Again thank you for this great effort.

I've heard people refer to your Directory as a "Crafter's Bible" and in so many ways that can be true. I've written in the margins, the calendars, the note pages. I mark up the book well by the time it is to get a new one. Bent and folded pages are common. Thank you for this very well used resource!

At my first ever craft show I had a person next to me looking through your Directory and I asked about it. They had such nice things to say about it - I ordered one. I just wanted to let you know I found a craft show I didn't know about in the book and it was a great show - well more than paid for the cost of the book. THANK YOU!

2018 CRAFTAH ARTS & CRAFTS DIRECTORY

For those that don't know the story ☺ Dale created the former **Maine Crafters Group** which for 4 years created a Maine crafts monthly calendar. Using that Craft Fair info gathered through years of the **CRAFTAH** Newsletter, published by Maine Crafters Group, and over 22 years as a member of a craft family business, an annual book of event listings was created.

Previous Directories were great successes, with each having even more listings than the previous edition - Now with New Hampshire Listings as well. Please enjoy the forms included in this packet & think about purchasing a Directory. Thanks!!

The Arts & Crafts Directory will consist of listings of Arts & Crafts Events for the entire State of Maine and now a wide variety of New Hampshire Events. **An Arts/Crafts Event is any fair, show or "event" that at least has a artist/crafter component.** Other than craft fairs, there are always other events like Agricultural Fairs, Festivals, and other non-craft related functions that have a craft tent/area devoted to the display and sales of Arts & Crafts.

Directory published in January & sent out by February 1st

Inside the Directory, each listing has the following possible components to each event.

Date of Event	Start/End Times
